

Tyngsborough Recreation and Parks Basketball Registration

Early Registration is now open

More info on-line at www.leaguelineup.com/tyngsborochoops

Recreational and Instructional Basketball Programs

Recreational program participants will play twice per week with practice sessions included for teams during the season. Evaluations for team placement and practice sessions will be held in early December with league schedules beginning after Jan 1. Format includes separate Boys and Girls leagues at the Elementary School (Grades 4-5) and Middle School (Grades 6-8). Watch the web site for evaluation dates.

In addition, the Saturday Morning (only) Early Instructional Program for Grades 2-3 Boys and Grades 2-3 Girls will begin on January 4th (7 year olds not yet in Grade 2 will be considered on request). Under consideration is an expansion of this program for Pre-school. Watch the website for more information.

Travel Basketball Program

Teams are planned for Boys and Girls grades 4 through 8. All registered youth (subject to the rules of our travel leagues) are eligible to try-out for a travel team. The more competitive travel teams require an added time commitment and additional fees (\$250 plus uniforms/tournament fees). All boys and girls interested in the travel program should indicate their intentions when registering. Players that make travel teams are still eligible to play in the recreational program. The \$250 cost includes both programs.

<u>Girls Travel Team Try-outs</u>			
<u>Grade</u>	<u>Date</u>	<u>Location</u>	<u>Time</u>
4 th	Tuesday October 22 nd	Tyngsboro Middle School	6:00 to 7:30 PM
