Welcome and thank you for instructing for the town's Parks and Recreation Committee. To ensure the success of our programs, please take a minute to review the following guidelines. We are pleased you have agreed to work with us and hope the experience will be mutually rewarding.

Instructors Guidelines

- Call your liaison of the Parks and Recreation committee one week prior to your program to ensure enrollment.
- Before your actual class takes place arrange to pick up an attendance sheet, located in the town halls meeting room , or from your liaison. If a students name does not appear on the list, be sure to get their name, address, and telephone number. Add this to your sheet and notify the committee so we may make corrections.
- In order for us to process your check we must have a signed contract, W-9 and a CORI form completed and on file.
- If for any reason you need to cancel a class, you must contact one of the committee members immediately to allow us time to contact participants.
- All program teachers/instructors must submit an invoice at the end of their session along with the attendance sheet
- Invoices must include your name, address. Phone, course name and/or number, number of participants and receipts if applicable.
- Payment for a course will be forwarded to the treasurer upon completion. Invoices are scheduled for payment within 2 weeks of receipt. All checks will be mailed to Instructor.

The following pages are your request for proposal of a program or event. Please fill out and return to the Recreation Department. The proposal will be reviewed by the committee at their next scheduled meeting. Once approved, the director or chairperson will contact you. At that time a contract will be forwarded to you, for your final review and signature.

Instructor Class Proposal Form

Below is information about Tyngsborough Parks and Recreation Program policies. It will help you complete the proposal form at the end of this document.

Program Submission Deadline Guide

If an agreement is made with the Town to offer your program(s), all information must be submitted no later than 60 days prior to program.

Program Registration and Waivers

The Parks and Recreation Department performs all program registration.

Program patrons are required to sign waivers that release the Town and agents from all liability. The Town may require you to purchase general liability insurance covering the Town of Tyngsborough.

Fees and Instructor Payment

Generally 70% of class fees are paid to the instructor. Please structure your proposed class fees accordingly. This percentage is subjective to change with different programs.

Class Refund Policy

A registered patron may be refunded in full after the first class is in session. This policy is in effect to allow tentative patrons to try a class before committing. If a patron attends the second class, they will be given pro-rated credit for the remaining classes. No refunds will be given to the patron for supplies purchased for the class.

Program Promotion

The Tyngsborough Parks and Recreation Dept. reserves the right to alter program titles and descriptions for marketing / formatting purposes. As part of the instructor agreement between you and the Town of Tyngsborough Parks and Recreation Dept., your program will be promoted using some or all of the following venues:

- **Schools e-newsletters**
- **Online and Public access channel**
- **Sandwich Boards**
- **Neighbor to Neighbor**
- **Flyers**

Photographs

We would gladly accept any photographs of your program to be used in our promotional media. Recreation staff will also take photographs of classes for future promotional purposes.

Inclement Weather

Parks and Recreation Programs occasionally need to be cancelled due to snow, rain, extreme heat, cold, or other weather situations. The Parks and Recreation Dept. will determine if the activity should be cancelled. The Parks and Recreation Dept. will then notify the instructor.

Other Information to Consider

Classes often take time to gain popularity. Titles, class fees, and class descriptions may be adjusted to help increase enrollment.
